

Classroom Times

Teacher: Ms Lori + Ms Dee

Date: Sept 11 - 14 Colors + Shapes

Look What We're Studying...

Colors + Shapes.

We worked on colors + shapes, finding them in our room. The children are completing a shape workbook, which should come home soon. We danced with ribbons, played with the parachute, painted, made shape "monsters", strung fruit loops, and matched colored goldfish. We are working on classroom rules and how to be a good friend.
