## A Look at Our week

Apes #1 We talked about good manners and being a good friend! We worked really hard on our October Classroom decorations! Played a game with a magic ball and ate some delicious apples! This week's rain caused us to play inside but <sup>the</sup> class had FUN Downstairs in our playroom!

## Reminders

Please bring a drink along with child's snack every day!  
Please put both in your child's cubby!  
Please do not leave snack in their Book bag! 😊  
Thank You!
